Title of Book:

Our new textbooks, which range in price from \$40-\$100+, are constructed to last for five years with reasonable use and care. All hardbound textbook should have a book cover in place at all times. To help us be good stewards and to help us accurately judge the condition of your child's book after a year of use, please list all noticeable damages. Be sure to include damages to corners, cover, binding, ripped pages, all pencil marks, etc. You do not have to do a page-by-page inspection. If the book is new, just write "NEW" on the lines below. Please print your name and sign and date this form in the spaces provided.

I have examined this book and found it in the following condition:
